It's hard to believe camp is over today and some have already started their "back to school" shopping! Six weeks of fun will be celebrated tonight at CKCP's Awards Night.

On the positive side, we still have plenty of summer left and tomorrow we celebrate CK's 95th Anniversary. Hosted by Maria Stonecipher and her DeSantis family crew, it is sure to be a great time. This will be followed by the Annual Progressive Dinner, Beers of the Knolls, and the President's Dance. And let's not forget there is plenty of boating and beach time left before we say farewell to summer.

For any of you attending the CK family mass at St. Edward's Church on August 18th, please check out the details on the last page. In the past (pre-Covid), we traditionally held a family summer mass in our clubhouse, but new diocesan rules and the over extension of our parish priests (covering all masses for two parishes), led to improvising and starting a new tradition. Let's face it - change is the only constant in the world, so we might as well embrace it.

I hope you are all enjoying the summer of 2024 and savoring the memories being made.

I was at lunch with an old friend & pointed at two elderly ladies across the room and said "That will be us in 10 years". She said "That's a mirror".

Feel free to send me any information you would like to be included in future issues.

**HAPPY
ANNIVERSARY**
CK 95th

Get ready to celebrate –
Knolls style...
Saturday, August 10th

This weekend we will be celebrating the 95th Anniversary of Candlewood Knolls. My family and I are thrilled to be a part of this milestone celebration! How lucky we are to have Candlewood Knolls in our lives! This is a community that is built on friendships that span generations. It's a community that you never want to leave and certainly never forget. It continues to be a haven from stressful jobs and rigorous routines. It's a place where children feel safe and enjoy the freedoms of a community that cares. Whether you join us at the club or not, take some time to remember and enjoy all your fun memories of life at the lake and most especially here in Candlewood Knolls.
